Supreme & Supreme Electric Roll Tarp Systems

by

T.R.S. INDUSTRIES

www.trsendustries.com

For Farm Trucks & Semi Trailers

Supreme Electric Upgrade for Semi Trailers, Farm Trucks & Grain Carts. Heavy Duty Double Arm Designed for Heaped Loads. Economy Version Also Available.

For Just About Any Type of Truck & Trailer

The Standard Supreme Roll Tarp System has aluminum arched end caps, galvanized steel arched bows and the strongest latch plate available.

Standard colors: black or white (18 oz. VCN)
Other colors available: red, blue, brown, gray, orange, yellow, green, burgundy, beige.

The split crank mounts on the sides away from obstacles on the back and allows for easy storage in open or closed positions.

A popular choice for live bottom and end dump trailers is the Supreme Belted Roll System. This economy roll tarp secures the load with heavy duty ratchets and straps. Fabric front flap and strap ratchet down tightly.

The EZ Off Supreme Roll System allows you to take the entire tarp system off fast and easy with EZ Off tarp stops, heavy duty fabric caps or aluminum EZ Off end caps.

The Supreme Roll Tarp System for Grain Carts are Available with Fabric End Caps, Arched Galvanized Steel End Caps or Flat End Caps for Lower Clearance Issues. Electric Upgrades are Available for any Type of Cart.
